Jack, 49 year old actor

When I'm not in the UK, I'm either in New York or working
abroad for months at a time filming. I want to be covered
for doctor and dental appointments, or in the worst case,
emergency surgery, wherever I am.

€738

Per month (€8,856 per year)

Gezim, 38 year old entrepreneur

I'm an Albanian living in Albania. I want to be able to get the
best medical treatment anywhere in the world, for myself,
my wife and two young children.
