Allianz  Partners

How to recognize our members?

Allianz Partners Insurance
Card

Document of Identification
with photo

Always check the patient photo ID

Validating policies/member and cover (phone/online)

Verification of Allianz Partners insured members policy and benefits can be made through our 24hr Helpline department or on our website.

To check validity of the policy and its benefits, the Service Provider should always ask the patient for photo ID and the Allianz Partners membership card recording the following data:

- Patient name and date of birth
- Policy number

Over the Phone

When checking over the phone, our agents will need the information mentioned before.

What information our Helpline can provide:

- Validity of policy / member
- Coverage for treatments / procedures
- Police limits / co-payments / deductibles
- Status of you claim / batch
