

Allianz Worldwide Care International Healthcare Plans for Individuals and Families in Egypt

Allianz Insurance Company Egypt, in collaboration with Allianz Worldwide Care and NEXtCARE Egypt, offers a range of International Healthcare Plans designed for international and local individuals and families in Egypt.

Over a century of insurance expertise

Founded in 1890, the Allianz Group is one of the leading global services providers in insurance and asset management.

Allianz Egypt, comprising of Allianz Egypt for Financial Investments, Allianz Insurance Company and Allianz Life Assurance Company, has a long and successful track record in the Egyptian insurance market, providing comprehensive and integrated insurance services to business partners and individuals. Allianz Egypt combines an in-depth knowledge of local needs and a commitment to Egyptian society with the strength of being part of Allianz Group.

Allianz Worldwide Care, the award winning international health division of Allianz Worldwide Partners, provides insurance solutions for health on a global scale. The company's structure, product design and market leading support services have been specifically developed to meet the health insurance needs of individuals, families and corporate groups.

NEXtCARE Egypt, is the local operational base for one of the MENA's largest Third Party Administrators (TPAs). NEXtCARE provides 24/7 multilingual support to members, as well as a direct billing and partner network encompassing over 11,000 Healthcare Providers in 14 countries.

Our roles

- We (Allianz Insurance Company Egypt) are the insurer for all policies
- Allianz Worldwide Care provides administration services for members outside Egypt
- NEXtCARE Egypt (also an Allianz company) administers policies within Egypt

Together we offer a comprehensive range of plans and member services that are managed within the Allianz family. We are all driven by our combined aim to deliver market leading service that is fast, flexible and totally reliable.

Key reasons to choose one of our international healthcare solutions

A single supplier solution – our healthcare plans are provided, monitored and managed directly by Allianz.

Flexible, modular plan design means cover can be adapted to suit a range of different budgets.

Comprehensive range of benefits including exceptional cover for chronic and congenital conditions.

Ability to accept a wide range of pre-existing conditions on cover.

Choice of geographical region of cover options including 'Africa only'.

Direct settlement available for in-patient, out-patient and dental treatment at medical facilities throughout Egypt via NEXtCARE Egypt's provider network, plus access to Allianz Worldwide Care's global network of medical providers outside Egypt.

Fully completed reimbursement claims processed within 48 hours (i.e. for treatment received outside network, or outside Egypt).

Access to a 24/7 multilingual Helpline for general queries and emergency assistance - one Helpline system regardless of where members are based.

Local Medical Services Teams provide 'on the ground' medical support.

Locally assisted medical evacuation and repatriation services, using the most suitable local partner to provide fast, convenient and safe transport.

Policy documents available in Arabic and English.

Ease in transferring to an equivalent Allianz Worldwide Care International Healthcare Plan if relocating outside Egypt (where available).

This information is for introductory purposes. It is not legally binding on any parties. For legal contractual rights and obligations, please refer to our insurance policy documents.

A flexible range of international healthcare products

Clients are offered a selection of Core Plans, which cover a wide range of in-patient and day-care treatments plus other benefits such as medical evacuation, oncology (covered at full refund), rehabilitation treatment and palliative care.

Clients can also supplement their chosen Core Plan by adding an Out-patient, Dental, Maternity and/or Repatriation Plan.

To help reduce healthcare premiums we offer a range of deductible options, plus a selection of geographical regions of cover to choose from (i.e. where cover applies). This flexibility ensures that cover is appropriate based on the client's particular set of needs and budget.

For further details regarding the available plan options please refer to the relevant Table of Benefits on our website:

Extensive medical network

Members can avail of cashless access to treatment via NEXtCARE Egypt's direct billing network. This includes a comprehensive network of private hospitals, public hospitals, clinics, day-care and out-patient centres, as well as dental facilities.

For treatment outside Egypt, members can avail of direct settlement for in-patient treatment and out-patient treatment in many clinics through Allianz Worldwide Care's extensive global network of medical providers.
