

INTERNATIONAL HEALTHCARE PLANS *for Lebanon*

Allianz SNA, in collaboration with Allianz Care and NEXtCARE, offers an international healthcare solution for individuals residing in Lebanon who travel abroad, or to Lebanese individuals residing abroad.

Allianz 

Allianz SNA, part of the Allianz Group, offers a comprehensive range of insurance products to its clients. Today Allianz SNA is serving over 83,000 customers in over 12 branches, through more than 180 employees and 250 exclusive agents. Allianz SNA is also proud to contribute to its society through supporting civic actions such as road safety and health awareness and sponsoring and promoting environmental and cultural events.

Allianz Care is the award winning international health and life division of Allianz Partners. Allianz Care focuses on addressing the health and wellbeing protection needs of clients worldwide, through the delivery of straightforward, innovative solutions that make each client feel understood, confident and valued.

NEXtCARE Lebanon is one of the MENA's largest Third Party Administrators (TPAs) and provides 24/7 multilingual support to members, as well as a direct billing and partner network encompassing over 13,000 healthcare providers in 14 countries.

We are all part of the Allianz Group, founded in 1890, which is one of the leading global services providers in insurance and asset management.

OUR ROLES

Allianz SNA is the insurer for all policies.

Allianz Care provides administration services for treatments outside Lebanon.

NEXtCARE administers policies within Lebanon.

Together we offer a comprehensive range of plans and member services that are managed within the Allianz family. We are all driven by our combined aim to deliver market leading service that is fast, flexible and totally reliable.

REASONS TO CHOOSE US

Flexible modular plans – ability to combine multiple plans

Exceptional cover for chronic and pre-existing conditions

Comprehensive cover for Out-patient plans (Full refund for specialist fees and diagnostic tests, generous cover for alternative treatment and physiotherapy)

Exceptional cover for newborns – same benefits level as adults once enrolled

Comprehensive Provider Network

Cashless access to treatment within our Medical Provider Network

24/7 multilingual Helpline and Emergency Assistance services

This information is for introductory purposes. It is not legally binding on any parties. For legal contractual rights and obligations, please refer to our insurance policy documents.

A FLEXIBLE RANGE OF INTERNATIONAL HEALTHCARE PRODUCTS

Clients are offered a selection of Core Plans, which cover a wide range of in-patient and day-care treatments plus other benefits such as medical evacuation, oncology (covered at full refund), rehabilitation treatment and palliative care.

Clients can also supplement their chosen Core Plan by adding an Out-patient, Dental, Wellness, Maternity and/or Repatriation Plan.

Our plans are complemented by a selection of deductibles: these can be chosen to obtain a discount on the overall premium.

We also two different geographical regions of cover to choose from (i.e. where cover applies).

Worldwide (covering the insured persons everywhere in the world)

Worldwide excluding USA

This flexibility ensures that cover is appropriate based on the client's particular set of needs and budget.

For further details regarding the available plan options please refer to the relevant Table of Benefits on our website:

EXTENSIVE MEDICAL NETWORK

Members can avail of cashless access to treatment via NEXtCARE Lebanon's direct billing network. This includes a comprehensive network of private hospitals, public hospitals, day-care and out-patient centres.

For treatment outside Lebanon, members can avail of direct settlement for in-patient treatment and out-patient treatment in many clinics through Allianz Worldwide Care's extensive global network of medical providers.
